

Resurrection Parish
Time & Talent September 2011

Please complete this form and return it to the parish office no later than October 2, 2011. Remember that...

- Every parish volunteer, in every ministry, must make a new commitment each September in order to continue in that ministry.
- Use one form per family, not per person. Complete the family LAST name/phone number/address information for your household; then complete the MEMBER name/cell phone/email section for each individual.
- Write the name of the family member on one of the lines next to the ministry or activity in which that person wishes to participate.
- Some ministries—those marked *—require a criminal history background check and participation in a Protecting God’s Children workshop.
- The deadline for responding is October 2, in order to be included in any required training or formation programs. You will be contacted after October 2 with the next steps for you and your family members.
